Long Necklace In Gold And Pearls

6 000 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

Length : 154 cm

Width : 1,93 mm

Description

Long necklace in 18 carat yellow gold, palm tree link decorated with a loop and 12 pearls.

This is a closed necklace, it cannot be opened.

The loop is set with 10 half pearls, and slides on the chain. It can't pass beads, so it doesn't have a lot of slippage.

At the end of the jumper a carabiner allows you to hang a pendant. Note that the carabiner and the chain end rings are in pink gold.

Very good condition, there is a micro hole in the mesh, barely visible to the naked eye, and which in no way affects its solidity (see photo).

French work from the end of the 19th, beginning of the 20th century, hallmarked with an eagle's head.
