Description

12 napkins decorated with flowers, in cotton damask and monogrammed NT (h: 4 cm) in satin stitch in the middle of 2 ears of wheat, symbols of abundance, peace, wealth and fertility for marriage, everything is embroidered with cotton thread in 2 tones of gold colors. The edge hem is also made with gold thread, thus forming a golden frame around the edge of the napkin.
I think that these golden embroideries were recently made on old napkins from which the old monograms had been de-embroidered. In fact, traces of old bites can be slightly discerned.
Excellent condition, towels washed and ironed by me.
Shipping in France is by registered colissimo (12 euros) and by international colissimo for Europe (20 euros) and for other countries (46 euros).
