### Description

This oil on panel represents a marine scene, it is of good quality. It is signed, but the name is difficult to decipher. It is served by a pretty frame gilded with gold leaf. The work is sold unprepared, unrestored. Note cracks and traces of wear due to time, the upper right part is slightly sagging, some dirt, gaps on the frame, wear on the gilding and stains, a broken corner at the bottom right. Everything remains acceptable for a person who likes natural, untouched works. Our numerous photos allow you to appreciate the quality of the work. For the condition, please detail the photos. Feel free to zoom in. The photos are an integral part of the description.
