Description

Academic Sketch of the Head of a Cherub.

Charcoal drawing on lightly tinted gray paper.

Late 19th Century

In good condition.

Resulting from the bequest of the Turinese artist Luigi Guglielmino.

The collection of sketches and preparatory drawings mainly included works by its master, Enrico Reffo (Turin, 1831-1917), one of the greatest representatives of Italian religious painting of the second half of the 19th century. High quality drawing, which shows the continuity of the Italian and French academic drawing school, which continued to live in the workshop of the painter Reffo in Turin.
