### Description

Table, in solid and veneered rosewood, all sides and modular, with two leaves at the ends, allowing a larger surface area to be obtained. The top is composed of a developed, with invisible central joint, decorated with double thread and important compositions in finely chiseled brass. The belt features two long drawers, independently equipped with original functional locks with entries and keys. The fronts of these drawers are inlaid with foliage and branches, in brass, highlighted with fillets. The uprights are also decorated with inlays representing arabesques. The rear, of a similar design, follows the same designs line for line as the front, imitating the drawers and their entrances. The massive, turned, spindle-shaped legs are all decorated with brass-plated rings at the top and bottom as well as
