Description

4 authentic identical bronze boat portholes... either in good condition (beautiful patina) or stripped... available for sale in perfect working condition and even if two very thick windows in this case are broken they are still completely waterproof just in case you wanted to use it as a boat porthole. by carefully observing the holes which were made for fixing on the boat we realize that it was made in an artisanal way and not machined it is very aesthetic and very pretty
Total diameter 37 cm Opening diameter 30 cm
Thickness 5 cm 11 .5 kg each price per piece, price possible for the lot Shipping possible worldwide
