This piece is in very good condition, velvet, selvages and fringes. A soft, shiny wool is characteristic and generally used for Nahavand rugs, which gives them a nice thickness and great comfort. It gives the patterns and designs of these rugs a strong personality combined with a great presence in a room. These rugs are very solid, they often have a rectilinear design, partially inspired by ancient nomadic pieces. We find some

like our model with softer, rounder shapes and clever decorations. An important medallion is located in the center of the carpet in the majority of cases. Finish, fringes at one end, kilim finish at the other end. They are decorated with leaves, flowers, branches and arabesques, and are framed by floral decorations. The beauty of our Nahavand remains in the combinations of shades, peach, blue, orange, gray, red and beige, old pink and red which stand out skillfully on a midnight blue field. The ancient city of Nahavand in western Iran is one of the main provenances of carpets in Iran. Today, it still produces excellent quality Persian rugs with a very high reputation. This rug has been professionally and environmentally friendly cleaned. For more information you can contact me on 06 13 36 09 30 or on
