

Bronze Inkwell

400 EUR

Period : 19th century

Condition : Parfait état

Material : Bronze

Length : 20 cm

Width : 17 cm

Height : 14 cm

Description

We present for sale this exceptional bronze inkwell from the end of the 19th century and the beginning of the 20th century. We could say Art Nouveau style. When you lift the lids you discover its glass inkwells and at the back a space for pen holders. The sockets on the lids are birds. Nothing to say about this beautiful collector's item. Notice to inkwell collectors. (E23)
