

Large Polychrome Earthenware Planter From Nevers

600 EUR

Signature : Nevers Montagnon

Period : 19th century

Condition : Très bon état

Material : Earthenware

Length : 50 cm

Width : 30 cm

Height : 25 cm

Description

Beautiful oval planter in polychrome earthenware from Nevers, from the Montagnon factory, with hand-painted decoration of cherubs picking bunches of black grapes. The characters are framed in rococo reserves, outlined with yellow foliage on a dark blue background. Holds in the shape of winged griffins, gripping the edge in their beak, decorated with a frieze with yellow bars towards the outside, and blue motifs towards the inside.
