125 EUR

Period : 18th century

Description

This beautiful inkwell is in very good condition, apart from 3 small chips on the edge of the tank (last two photos). It is superbly decorated with multicolored flowers and foliage. I think it is earthenware from the beginning of the 19th century, perhaps from Devres or Boulogne, without certainty. Dimensions: 10.5 x 10 cm. Fast, careful and very secure shipping.
