Description

Very pretty pair of porcelain bowls. Very flared in shape, with a slight pedestal. On a ruby background, they are decorated in white with bats and flowers, with touches of green for the leaf garlands. Characters in salmon color. Signature in iron red on the cover.

Very good general condition, note all the same, a very slight chip under each of them, interior border of the pedestal. Please look carefully at my detailed photos, I am not hiding anything.

Chinese working, dating from the end of the 19th century or very beginning of the 20th century, probably from the Guangxu period. Dimensions: 5.8cm H x 11cm diameter
