

## Pair Of Indochinese Wood And Mother-of-pearl Trays 19th Century

750 EUR

Signature : A définir

Period : 19th century

Condition : En l'etat

Material : Solid wood

Length : 48x36

### Description

Very pretty pair of 19th century Indochinese frame trays in ironwood and mother-of-pearl inlays decorated with boats, villagers and birds flying over the river. Very beautiful marquetry work. (small gaps in places) visually very nice and of high quality of execution! In their original patinas! Format of 48x36 cm. Do not miss ! Rare !
