Description

Embroidery representing the child Jesus leaning over the instruments of the passion.
Throw stitch embroidery in wool threads, imitating a woven tapestry. Exceptional embroidery for its size and quality, dating from the second half of the 17th century.
Frame from the 1930s of the 20th century, blackened and gilded guilloche and fields imitating tortoise shell.
Concerning the embroidery, there are small gaps eaten away by moths but the overall design is perfectly readable.
