### Description

English engraving present in the collections of the British Museum published on December 7, 1876 by B.BROOKS. The theme is the small child who does not yet walk who stares with curiosity at a dog with a very valiant gaze and both are observed by a young cat in the corner of a door, a game of looking... Unlike the engraving in the museum, this engraving includes in its step 2 small sketches, a dog and a child's face, there was also a text on the right, to the pen which has become illegible over time may be a dedication from the author completing the sketches. On the left there is also the name of the engraver to be deciphered...Gilded wood frame in good condition, burnished engraving. POSSIBILITY OF SENDING, careful reinforced packaging, by registered mail with signature, insurance and
