Description

These two large watercolors, framed under glass, are in very good condition, with a few minimal traces of time, almost nothing. They are ready to be installed. Both are signed with the JM monogram. The artist had a very good mastery of his art, these pears and apples seem ripe enough to be bitten. Some reflections, visible in the photos, are due to the glass, they do not exist in reality. The oak frames are original, circa 1900. Dimensions: 110.5 x 55 cm. These watercolors can be collected in Saint-Marcellin, halfway between Grenoble and Valence.
