

Walnut Dining Table

1 780 EUR

Period : 19th century

Condition : Très bon état

Material : Wallnut

Length : 130

Width : 110

Height : 73

Description

Walnut dining room table with an oval top on a central leg, it opens with two serving leaves with walnut sockets. Removable feet unfold for perfect stability when using both extensions. The base is on casters. Each extension is fitted with return screws to ensure perfect cohesion when opening. This table has been completely refinished, the extensions have been redone and are very well adjusted. Dimensions of the closed table: 130 cm long, by 110 cm wide. Two 51 cm extensions. Height below the belt of 61 cm.
