French School Circa 1900 : Pair Of Studies "the Farm Portal"

110 EUR

Period : 19th century

Condition : En l'etat

Material : Oil painting on wood

Description

French school circa 1900: Pair of small studies "The portal", oils on panel 10.8 x 13.9 cm and on hard cardboard 9 x 12.4 cm (irregular cut). Unsigned, without frames, small peripheral accidents. These charming studies show us a farm gate opening onto a mountain landscape with cloud-covered peaks. Visibly made on the pattern, the touch is large and fair, a little more detailed on the small one. Do not hesitate to ask us for photos or additional information by email or telephone. Other photos and many other objects in our stores in Pau and Biarritz and on our site: galerielhoste.com.
