Description

Large Louis XV style lantern in gilded bronze with three arms of light.

Pentagonal in shape with curved windows, it is decorated with symmetrical movement of acanthus leaves and shell medallions in the upper part and bouquets garnis at each end of the edges. The edges and the base are decorated with pearled bronze and bouquets garnis in the lower part.

The binets are supported by bobèches of chiseled acanthus leaves forming a rosette and connected in their center by a rosette of identical acanthus leaves.

It is supported by five beaded arms and topped
