## Description

Superb and elegant oil painting on canvas from the 17th century. It represents a bouquet of flowers composed of tulips, peony carnations... all presented in a brass cup. Next to it is a set of fruits with quinces, a lemon and a basket of red fruits. All against a background of greenery and foliage from which emerges a branch on which a bird rests. Quality work where the colors have remained lively and luminous, the canvas is presented in its period oak frame decorated with oak leaves. Beautiful decorative painting
