French School Circa 1920 : "cradle Angel"

120 EUR

Period : 20th century

Condition : En l'etat

Material : Copper

Description

French school circa 1920 : "Cradle angel", thin copper plate 4.5 cm in diameter, partially gilded and silvered (wear), mounted (not fixed) in a slightly cracked veined material frame (ivory?) including the fastener is broken and replaced by a hole. Illegible hallmark at the bottom left and initials "ET" or "EZ" at the bottom right. The model of the angel is of course the one that Raphael introduced at the bottom of his "Sistine Madonna" from the Dresden Museum, but very finely crafted. Do not hesitate to ask us for photos or additional information by email or telephone. Other photos and many other objects in our stores in Pau and Biarritz and on our site: galerielhoste.com.
