Description

Van Chuan Lôc (20th century): "Woman with an oil lamp", painting on canvas 80 x 110 cm, signed and dated 1994 lower right. Two tiny scales at the bottom left, the imposing dimensions of this painting prevent it from being mailed and we would ship it by carrier. Even if I found nothing on the Artist, this interesting canvas, as if seen through a prism which would split our vision into colorful and shimmering details, presents a typically Asian inspiration with its stupa, lotuses and other flowers. discovering as you go...
