Vintage ring whose setting is made up of twisted gold wires and smooth gold wires which wind around the start of the ring to form the basket. In the center, a large round aquamarine is held in 4 large flat claws. Period: 20th century Main material: white gold, 750 thousandths, 18 carats, eagle's head hallmark and platinum, dog's head hallmark. Total weight of aquamarine: approximately 12 carats. Proportions: Height: approximately 17.5 mm, width: approximately 16 mm, thickness: approximately 10.5 mm, width of the ring at the base: approximately 4 mm. Net weight: approximately 9.1g. Authentic old jewelry - French work from the 1960s. Our opinion: An old aquamarine ring of very beautiful volume. The breech of the aquamarine is cut in briolette, which gives the gem a lot of depth and
