Barometer In Golden Wood, Louis XVI Period

1 450 EUR

Signature : SCATINO

Period : 18th century

Condition : Bon état

Material : Gilted wood

Width : 52 cm

Height : 89 cm

Description

Large barometer/thermometer in gilded wood from the Louis XVI period surmounted by a pediment with musical attributes, decorated at the top with a floral crown. Dial signed Scatino, 49 rue Jean Denis in Paris. The thermometer is functional, as for the barometer mechanism it seems complete to me. Good general condition with traces of use due to its age
