Bronze Putto Playing The Flute

400 EUR

Period : 20th century

Condition : Parfait état

Material : Bronze

Length : 18 cm

Width : 11 cm

Height : 10 cm

Description

We present this adorable little bronze representing a lying putto playing two flutes at the same time. It is on a black marble terrace. The bronze itself has a fantastic patina and a magnificent carving recovery. We place this beautiful thing around the middle of the 20th century. (E23)
