Description

Empire regulator in alabaster and gilded bronze.

Resting on a rectangular terrace decorated with griffins holding a bunch of grapes, 4 truncated columns set in gilded bronze rings decorated with laurel wreaths, ovates and flowers, support a molded cushion and garnished with a dentil cornice and decorated with a decoration of flowers framed by foliage and foliage.

The gilded bronze dial indicates the time with a white enameled ring signed at the bottom by Hauchar, a student of Bréguet.

The revised and guaranteed movement strikes the hours and half-hours as it passes. The time is punctuated by a central second hand and beaten
