Description

Large and rare oblong planter in polychrome slip
The body with a cobalt background, decorated with garlands of flowers held by flower buds and heads of women forming sockets

The planter rests on four palmette claw feet

Stamped intaglio on the reverse JH for Joseph
HOLDCROFT English work, late 19th century,
around 1870

Very good general condition, apart from a small
break in enamel on a flower petal and a small
chip above one of the feet (see photos)

Joseph Holdcroft worked for eighteen years at the
Minton earthenware factory. In 1870 in Longton,
he created his own factory, The Sutherland
Pottery, specializing in slip shaped pieces. After
1906, the earthenware factory was known as

Holdcroft Ltd, it closed its doors in the 1920s.

Joseph Holdcroft's production was inspired by his years spent at Minton but also by the influences of the rustic figures of George Jones
