Description

Impressive fire-gilded Empire chandelier with very fine imperial and classicist ornaments, which areshade is made of alabaster,The lamp body is framed by a surrounding leaf frieze, also the vertical subdivision of the shade is decorated by this leaf frieze. On the upper edge are eagles and swan necks on which the suspension is anchored.These, in turn, are suspended from the top of a base that is richly decorated with the finest flowers and leaves.To give the high lamp even more elegance, here the centerpiece was extended again and the lamp hangs on a florally designed canopy.Classicist heads, medusas and mythical creatures can also be seen.An object of absolute quality in workmanship and material.3 sockets with 3 E14 bulbs provide sufficient illumination of the alabaster body.
