Long Multistrand Tribal Necklace Kerala India

850 EUR

Period : 20th century

Condition : Bon état

Material : Sterling silver

Length : 104 cm

Description

Long tribal necklace composed of plates and a central heart-shaped medallion connected by chains, state of Kerala, India.
On the plates, we find arabesques and floral motifs as well as on the heart, these elements are enameled blue, the traditional color of this necklace. Good general condition, very nice collector's item.
Total length 104 cm.
Collected by me in 1988.
