Avignon 84000

Slight foxing on a few pages)Published between 1860 and 1880. Very rare put in fine original condition considering that these are heavy workbooks used daily.This from the library of Henri Nibelle, French composer, organist and choir director. His signature appears on the 1st volume. He began his career as an organist at the choir organ of Versailles Cathedral in 1907. Later, he moved to Nice to compose.
