Description

We present this painted corner piece of furniture in the form of two bodies but in one piece. We acquired it from a large estate on the Swiss border but in Haute Savoie. The owners were frequent travelers. This piece of furniture may be Alsatian, Austrian, Tyrol, German Switzerland. The painting is original and the furniture is from the 19th century. It would go very well in a mountain chalet in our French Alps for example. To be taken on site. (E23)
