

19th Century Movement With Three Bells

900 EUR

Period : 19th century

Condition : Très bon état

Material : Brass

Width : 30 cm

Height : 48 cm

Depth : 16 cm

Description

We present this very beautiful Comtoise clock mechanism with a 19th century circle around 1830/1850, therefore with a front escapement with three mechanical bodies, three points and three bells. A small brass antille pendulum, we even have the three original weights. The mechanics are in a dream state as is the whole assembly, we can say that it is ready for use.
