

## Spectacular Provençal "tombeau" Commode Mid 18th

2 750 EUR

Period : 18th century

Condition : Très bon état

Material : Solid wood

### Description

Sublime Provençal tomb chest of drawers mid-18th century, in cherry wood. The proportions are absolutely ideal (small model), and the curves of this tomb chest of drawers are really very marked (note the drop at the level of the second drawer), which makes it a truly spectacular piece! Dimensions: 119 cm long 57 cm deep 89 cm high 85 cm feet apart Original 18th century bronzes. Functional locks and keys (x2). The feet are perfectly original, the bottom is perfect. The drawer slides are perfect: no play or imbalance in the drawers. Definitive and impeccable piece.
