

A Rare Drill Bit

185 EUR

Period : 19th century

Condition : Bon état

Material : Other

Length : 9

Width : 7

Height : 9

Description

Amazing collection of burs.... Various sizes, various heads, various uses but all dental..... I still imagine the lathe operated using a pedal, I visualize the bur approaching my teeth, I dread the unpleasant little bzzziing, and I hear the dentist's heart... ah no, it's mine that's panicking....
Box of dental instruments containing 117 utensils, neatly stored in their box drink.
