Description

Very powerful terracotta bust representing Leonardo Da Vinci. A work of great singularity by an anonymous artist who leaves no one indifferent. The Master is represented from the front with this long and very full beard, a bald head and very pronounced wrinkles on his face. This is a hand modeled terracotta sculpture with an incredible patina. Early 20th century period, most certainly from Italy. Delivery by carrier, 80 euros in France, 150 euros in the EU and 300 euros rest of the world.
