Description

Superb little bottle in crystal and solid gold.

The bottle has a circular section, the body is made of twisted crystal.

The collar and the hinged cap are made of solid gold. A small push button opens it.

Inside the cap, a spring-loaded glass plate seals the bottle.

The setting is hallmarked with an eagle's head, for 18k gold.

It is a superb little pocket perfume bottle, very elegant and of high quality construction: the hinge is solid, the closure with the push button is firm.
