Description

Charming box, almost cubic, all handmade with reclaimed wood, mainly the exotic wood of cigar boxes of the time, glued studded and... painted. If carpentry was not his strong point, the artist held the brush well: look at the pretty neo-classical decoration that he created on the 5 sides, dedicated to M. (with his profile)? The lid, with folding handle, is decorated with a Maltese cross and a Templar cross pattée, Two antique vases, one decorated with M. (nude), the rest of the decor is at the table, with a good bottle and good tobacco. Take a good look at our photos.
