This naturalist stained glass window represents 7 ducks in a lake surrounded by lush vegetation including a date palm. "Lux Fournier Tours" is written on the wooden frame. Lucien Fournier, known as Lux, is the son of Julien Fournier, founder of the Fournier Clément workshop in Tours in 1873. He took over the workshop in 1905. The stained glass window presented to you therefore comes from the beginning of the 20th century. This is a beautiful work of glass painting done with grisaille and colored enamels on transparent light blue glass. It is in a wooden frame.
