### Description

An elegant 1950s bar cart, or drinks serving trolley, in the iconic style of the renowned Parisian interior decorating firm Maison Jansen. This eye-catching cart, with its duo of polished wood tiers and openwork brass galleries, has a neo-classical feel to its design, and features a wood and brass push handle, two large wheels at the front, and two smaller swivel wheels at the rear, which allow for easy manoeuvrability and maximum convenience. For an extra touch of practicality, three bottle holders are fitted to the lower tray. Still in perfect working condition, and ideal for displaying and serving drinks, or to roll out with breakfast pastries and tea, this is a very chic piece of vintage French furniture which would be an asset to any contemporary gathering.
