

Lace Maker Box

900 EUR

Period : 19th century

Condition : Très bon état

Material : Solid wood

Length : 27 cm

Width : 19 cm

Height : 14 cm

Description

We present this magnificent box of lacemakers from Haute Loire (43). This type is found exclusively in this region, this one is particularly sculpted. It dates from the 19th century, mounted with a dovetail. It is made of walnut and comes from my personal collection. Perfect state of conservation, excellent patina. (E23)
