

Louis Thiam (1914-1973) The Tooth Puller

360 EUR

Signature : Louis Thiam (1914-1973)

Period : 20th century

Condition : Bon état

Material : Solid wood

Diameter : 53 cm

Description

Round carved solid wood sculpture signed and dated "45" lower right. Relief marquetry is an artistic technique that allows you to create three-dimensional works using different types of assembled wood. In Lorraine, this technique is particularly known thanks to the work of two artists: Louis and Albert Thiam.
