Description

50s and 60s lamp in solid silvered bronze in empire style representing an eagle with outstretched wings. Very beautiful and spectacular neo empire lamp with a large majestic eagle with outstretched wings resting on a light burl wood base for the most beautiful effect. Presence of the original worked glass globe in excellent condition. Electrification in very good condition. Very beautiful decorative effect for this stylish lamp which can be used as an office or living room lamp. Possibility of sending in France and throughout the world.
