# Rustic Lace Maker Box

680 EUR

Period : 19th century
Condition : Très bon état
Material : Solid wood
Length : 36 cm
Width : 18,5 cm
Height : 21 cm

## Description

We present this box of lace makers from Haute-Loire (43). In principle they are sometimes from the 19th century but this one seems older. It is worked on all four sides, it is possible that the top is later because it is not carved. Good condition. (E23) No. 2
