Description

Art Nouveau period table in bamboo and marquetry. The straw belt reveals naturalism in its entirety. The burnt curved bamboo base is just nowhere to be found. The iris marquetry adds the typical flagship element of this period. The shelf (50 cm, 17 cm, h 30 cm) and the drawer, also in marquetry, give a little more to the whole. The woods used are: rosewood, birch, maple, oak, stained wood and cherry base. This side table combines: proportion, functionality and aesthetics. Possible delivery not included in the price.
