

## English Carpenter's Trusquin Tool In Mahogany Rosewood And Brass 20th Century Folk Art

80 EUR

Period : 20th century

Condition : Bon état

Material : Solid wood

Length : 19,5 cm

Width : 6,5 cm

### Description

English carpenter's jigsaw, 20th century, in rosewood, mahogany and brass, with two adjustable points.

The base is convex on two sides. On the base are engraved two names: on one side T.GODDARD, and on the other overprinted with a manufacturer's stamp (difficult to read) DEWILLIAMS.

Good condition, original patina, some tiny traces of old use.

Dimensions: Length (closed) 19.5 cm; Width (base) 6.5 cm
