Suite Of 3 19th Century Lorraine Chairs In Oak

450 EUR

Period : 19th century
Condition : Bon état
Material : Oak
Width : 40cm
Height : 93cm assise 44cm
Depth : 38cm

Description

elegant suite of 3 Lorraine oak chairs from the 19th century. They rest on a base turned on the front connected to their base by an H-shaped leg space. The seat is molded on 3 sides and the back is scalloped and molded. Quality work in excellent state of conservation, very pretty turning on the facade.
