### Description

19th Century Chandelier in Solid Gilt Bronze -  
Louis XVI Style

We are pleased to present this sumptuous 19th century chandelier in solid gilded bronze, a true masterpiece of French craftsmanship. Designed in the Louis XVI style, this chandelier perfectly illustrates the elegance and sophistication of this era. It has six light arms, complemented by three bulbs located in a glass globe, providing soft and refined light that will enhance your interior.

### Chandelier Features

#### Material and Finish:

This chandelier is made of solid gilded bronze, ensuring not only exceptional longevity but also a luxurious aesthetic. Gilded bronze brings a shine and richness that does not fade over time.

### Style and Period:

Borrowing from the Louis XVI style, this chandelier is distinguished by its clean lines and refined ornaments. The Louis XVI style is renowned for its return to symmetry and classical order, which translates here into understated elegance and meticulously crafted details.

### Decoration:

The chandelier is decorated with floral garlands and finely carved women's heads, adding a touch of femininity and delicacy to the whole. These floral decorations and female faces are characteristic of the decorative motifs of the period, testifying to the care given to every detail.

### Dimensions:

With a height of approximately 90cm, this chandelier is an imposing size, ideal for installation in a spacious living room, dining room or entrance hall. Its majestic presence will capture attention and will undoubtedly become the focal point of your room.

### Payment Options

To make your purchase easier, we offer several flexible payment options:

**Payment in 4 installments with PayPal:** This option allows you to spread the cost of your purchase without additional costs.

**Payment in 4 installments with no fees in store via Cofidis:** Available directly in our store for a worry-free purchase.
