

Conical Crystal Carafe

130 EUR

Period : 20th century

Condition : Bon état

Material : Crystal

Description

Very pretty conical-shaped crystal decanter.
Decor cut with concave pellets, starry background. Total height: 30 cm Ø base: 15 cm
Weight: 1kg055 Good condition for this pretty carafe, no stamp but the shape recalls the baccarat productions of 1916. I specify tiny traces at the bottom of the carafe to be cleaned (white vinegar, bicarbonate)
