Description

Antique clock holder, wooden onion holder - Carlo X Original and curious pocket watch holder, onion holder in the shape of a small walnut temple. Attention to detail, resting on spiral feet and central apron. Cimasa and two turned pine cones on the sides. Once the watch is positioned, passing it through the appropriate slide on the back, it is highlighted by different rows of circular sea shells. Good state of preservation, only a small shell is missing on the lower perimeter. Stunning and curious piece of furniture, positioned on top of a beautiful piece of furniture, it creates an original scenography, instead of the usual clock. Measurements: height cm. 30.5 - width cm. 23.5 - depth cm. 6 - clock compartment diameter cm. 4
