Description

A series of 2 * 12 dessert cutlery In solid silver Model with the Gordian knot Controlled with the neck brace 1st grade (Or 950/1000) Signed by LASLIER - IN PARIS 75008 - FRANCE The successor PUIFORCAT In perfect condition Some slight traces of use Otherwise no dent or deformation on the teeth.. The whole thing must have been used very little...! From the end of the 19th century FYI the model with the Gordian knot is rare And in all models the desserts are even more so...! I put a box which is not original... Engraved with two initials SB Which, if necessary, can be removed by a goldsmith (count EUR35 excluding VAT for each piece) Weight...1 kilo 237
