Description

Curved ceremonial chest of drawers in Louis XV style opening with 2 drawers without crosspiece. It is adorned with a rich decoration of gilded bronzes on the front and on the sides. Its flower marquetry is in cartouches on its facade and its two sides. Its bronze trim highlights its marquetry. The rest of the chest of drawers is veneered with satin sheets. It is topped with a cream-colored marble veined with green and purple. It is entirely clad on an oak frame. Small in size, it can fit equally well into an entrance, a living room or even a bedroom. Parisian work from the Faubourg Saint Antoine from the beginning of the 20th century. Welcome to our store in Nice opposite the Masséna museum and just behind the famous Negresco hotel.
